

## *(h2t) Foot Therapy System*

RELIEF OF CRACKED, DRY HEELS...*GUARANTEED*

A ground breaking foot treatment system that uses a concentration of natural ingredients to provide relief and improve the appearance of dry, cracked and calloused feet.

### FAQS

#### **What makes these foot products different from other spa and pedicure foot products?**

The (h2t) Foot Therapy System offers therapeutic relief for the foot condition of dry, cracked, itching skin. Formulated using a concentration of highly active ingredients these products not only soften the skin, they also guarantee relief and visible improvement in the condition of the skin.

#### **How does the guarantee work?**

If customer is not satisfied with the results, they can return the product within ten days of purchase, accompanied by the receipt, to Rocco Altobelli Product Group. The address and phone number is located on the back of the label. Refunds must come through the manufacturer and **not where the product was purchased.**

#### **Do you have to use all the products to see results?**

The formulas are designed to work together. Start by exfoliating using the **(h2t) Foot Therapy Sugar & Olive oil scrub**. Apply the **Magic Heel Stick** to cracked heel areas. Follow up with the **(h2t) Foot Therapy Multi-Complex Cream**. Magic Heel Stick can also be applied throughout the day as needed to keep heels looking smooth. Best results when used daily.

#### **What's in the white bag?**

The (h2t) Foot Therapy System is a kit including all three Foot Therapy products with a convenient foot cloth and tote bag. The price of the kit reflects a 20% savings over buying the products individually.

**(h2t) FOOT THERAPY**

- ❑ Improves texture

### **Benefits:**

Soothes irritation associated with dry, irritated feet

Assists with repair of cracked skin

Creates a hydration barrier that keeps skin supple and soft

**(h2t) HAND/FOOT THERAPY**  
**Pumpkin Peel with Natural Exfoliating Fiber**

**Size: 4oz**

A deep penetrating chemical peel that uses naturally occurring alpha hydroxy acids to exfoliate dry, dead skin cells and stimulate skin cell renewal. A multi-action exfoliator that breaks down dead cells and callouses, while nourishing and enriching new skin cells. Perfect for use on hands and feet and leaves skin smooth and hydrated.

**FEATURED INGREDIENTS:**

Glycolic Acid

- ❑ Increases epithelial turnover, reducing the thickness of the stratum corneum

Lactic Acid

- ❑ Binds moisture to the skin
- ❑ Improves texture

Pumpkin

- ❑ Contains over 100 natural nutrients, minerals and antioxidants
- ❑ Naturally occurring enzymes help dissolve and digest unwanted cells

Ground Walnut shells

- ❑ All-natural granular exfoliant

Bilberry/SugarCane extract/Orange fruit extract

- ❑ Natural enzymes that act like AHA's, weakening the bonds that hold the dead skin cells. Makes them easier to slough off

**DIRECTIONS FOR USE:**

Apply a thin layer to hands or feet. Leave on for up to ten minutes. Rub vigorously with hands to exfoliate. Rinse with cool water. For best results use monthly or as needed. Use in conjunction with Sugar & Olive Scrub.
